A mentoring program, which accompanies you from your first day at work and provides you with advice and support

Excellent working conditions in modern offices

Countless benefits such as team events, flat rate for hot and cold drinks, smoothies, daily fresh fruits and vegetables, healthy snacks, team lunch and much more

## About 320EAST

320EAST is a German technology company based in the center of the Karlsruhe technology region. We develop and operate our IoT platform as a SaaS solution with our own hardware.

Our mission is to bootstrap the Service 4.0 industry.

Due to the daily increasing lack of personnel, the quality of services changes to the negative. They come to a standstill or are not offered at all. Our platform of hardware and services provides a broad technical and operational foundation for service providers (our customers) worldwide.

We not only provide a measurable way out of the service dilemma, but also create new business opportunities for service providers.

„One-Stop IoT SaaS boots up Service 4.0“

320EAST GmbH is located in Karlsruhe (Register Mannheim), Germany.

**We look forward to receiving your application by e-mail with a meaningful CV and photo. You are welcome to show work samples and name references.**
