

Software Engineer (f/m/n)

Full time - Karlsruhe, Germany

Our mission is to bootstrap the Service 4.0 industry.

Responsibilities

- Your area of responsibility will be the development of our backend services.
- You will plan and develop new user stories for this purpose.
- You will maintain and optimize existing source code.
- You will take care of CI/CD, code reviews and test automation.

Required Skills

- At least two years of experience in a full-stack developer position.
- Very good conceptual and analytical skills.
- Experience with service-oriented architectures based on Restful APIs and web socket technology.
- Very good knowledge of PHP (e.g. Slim framework) and MySQL.
- Experience in programming modern user interfaces, responsive websites using HTML5 and JavaScript (e.g. jQuery, Backbone, Underscore).
- Experience in agile software development (Scrum).
- Basic Linux knowledge.
- Good English skills, both written and spoken.

A mentoring program, which accompanies you from your first day at work and provides you with advice and support

Excellent working conditions in modern offices

Countless benefits such as team events, flat rate for hot and cold drinks, smoothies, daily fresh fruits and vegetables, healthy snacks, team lunch and much more

About 320EAST

320EAST is a German technology company based in the center of the Karlsruhe technology region. We develop and operate our IoT platform as a SaaS solution with our own hardware.

Our mission is to bootstrap the Service 4.0 industry.

Due to the daily increasing lack of personnel, the quality of services changes to the negative. They come to a standstill or are not offered at all. Our platform of hardware and services provides a broad technical and operational foundation for service providers (our customers) worldwide.

We not only provide a measurable way out of the service dilemma, but also create new business opportunities for service providers.

„One-Stop IoT SaaS boots up Service 4.0“

320EAST GmbH is located in Karlsruhe (Register Mannheim), Germany.

**We look forward to receiving your application by e-mail with a meaningful CV and photo.
You are welcome to show work samples and name references.**
